

# EcoTank ET-5880

Fast & feature-rich, this multifunction printer delivers superb quality, hassle-free printing at an ultra-low cost total cost of ownership.

Print, scan, copy and fax with this easy-to-use EcoTank Wi-Fi printer, that delivers an exceptionally low cost-per-page & reduces your energy consumption thanks to Heat-Free PrecisionCore technology. A4 jobs can be accomplished quickly thanks to fast print & scan speeds, whilst two A4 250-sheet front trays, a 50-sheet rear feed, & a 50-sheet A4 ADF, ensures there is a high capacity of paper.

## Keep on saving

Save every time you print with this EcoTank. It features large ink tanks that you fill with low-cost ink bottles, delivering incredibly low costs-per-page. Thanks to Heat-Free PrecisionCore technology, you can also keep your energy consumption down to a minimum, saving on energy bills.

## Time-saving features

Our fastest A4 device in its class, the ET-5880 offers a first page out time of just 5.5 seconds<sup>1</sup> and print speeds up to 25 pages per minute. The automatic document feeder can scan up to 27.5 images per minute.

## Low user intervention

Minimising refills, this EcoTank can print thousands of pages before needing more ink, while the two paper trays offer a capacity of 500-sheets. Free yourself from manual page loading with a generous 50-sheet rear feed and A4 ADF.

## Easy to use and reliable

Selecting features is easy with the LCD colour touchscreen. And refilling the large front ink tanks is simple with the resealable, intuitive and drip-free ink bottles.

## Print from almost anywhere

It's easy to print from mobiles, tablets and laptops using the ET-5880. With Wi-Fi and Wi-Fi Direct, you can send documents to print from smart devices using the Epson iPrint<sup>2</sup> app.

## DATASHEET / BROCHURE

1. Determined in accordance with ISO/IEC 24734 showing the average of ESAT from the Office Category Test for default simplex. For more information visit [www.epson.eu/testing](http://www.epson.eu/testing)
2. Requires a wireless connection to the internet. For more information, supported languages and devices please visit [www.epsonconnect.com](http://www.epsonconnect.com)
3. The edge-to-edge print function is designed for occasional use. There is a limit to the number of prints that can be produced on this mode, before requiring replacement of the ink pad. After this limit is reached, printing on standard mode is still possible. Please refer to the user manual and warranty conditions for additional details.
