Save time and money

High yield ink cartridges

With the DCP-1612W you get 5 toners in the box that print up to 5,000 pages – enough to last for the first 3 years of ownership*. You can rely on this mono laser printer to do its job while you concentrate on yours.

Connect from anywhere

If you require a printer that allows multiple users to connect, quickly and easily, from a variety of different devices, look no further. The DCP-1612W offers a built in wireless network and mobile compatibility, so mobile printing could not be easier.

Multi-tasking made easy

The DCP-1612W boasts speeds of 20 copies per minute (cpm). You can now load your document and let it scan or copy while you complete other tasks around the office.

Smart, yet straightforward

Despite being a true all-rounder, the DCP-1612W is designed with the user in mind. With a simple setup process and user-friendly LCD display to navigate jobs you'll be up and printing in no time, with minimal time lost.
