

Lexmark CX517de

CX517de

Higher output. 7-inch screen. Combines 4 devices in 1.

The CX517de helps make sure your deliverables have a professional look, thanks to its colour-matching tools and PANTONE®calibration. Enjoy printing, copying, and scanning at speeds up to 32 pages per minute. This reliable MFP includes built-in Gigabit networking, advanced security, two-sided print and scan, and a 7-inch colour touch screen and keypad to simplify tasks, plus mobile print capability.*

In-house PANTONE colour prints

Lexmark colour-matching tools and PANTONE®calibration deliver rich, consistent colour printing so you can save time and money by producing your colour documents in-house. Thanks to a dual-core processor and generous 1 GB of memory (expandable up to 3 GB), even complex documents with graphics and images print quickly. The CX517de can deliver the first colour page in as little as 11.5 seconds. With built-in two-sided printing, copying, scanning and faxing, this 4-in-1 device saves you space, time, paper and money.

Mobility

7-in. touchscreen

Security. Confidential Print. Mobile print capability.

Extensive network security features and protocols protect your device, information and network from unauthorized access. Keep your sensitive documents safe by enabling the Confidential Print feature, which requires entering a customized, unique PIN on the device's keypad before the document can be printed.

In addition, you can print from mobile devices using Lexmark's free Mobile Print app or an optional Wi-Fi adapter.

Comprehensive warranty

The CX517de colour MFP is so well made, we back it with a solid 1-year warranty that offers you multiple ways to obtain help: phone, e-mail, live chat and remote assistance. Plus, if your device ever fails, we'll ship you a replacement device through our Advanced Exchange program so you're up and printing again as quickly as possible. See Statement of Limited Warranty for details.

Colour laser multifunction product

High-Yield cartridges print up to 3,500 colour pages

To help lower cost per page, available High-Yield cartridges produce up to 3,500 colour pages and available Extra-High-Yield cartridges produce up to 8,000 black pages. They never require shaking, which minimizes interruptions and keeps work moving. The Lexmark print system and Unison™ Toner ensure consistent print quality throughout the life of the cartridge to prevent wasted prints.

User-friendly

The CX517de is simple to install, easy to use and offers full compatibility with nearly every operating system and network, so you'll be up and running in minutes. It's built to last, so you'll easily be able to print up to 7,000 pages per month, thanks to our state-of-the-art paper handling technology.

The 7-inch colour touch screen is customizable, and includes quick access to copy, fax and scan functions, and to pre-installed apps, such as Forms and Favourites, which lets you save frequently used documents and print them from the touch screen.

Lexmark's Mobile Print app for iOS and Android devices provides a simple and consistent user experience for printing from mobile devices. It features simple printer discovery and mobile print and scan.

An automatic document feeder simplifies copying, scanning and faxing with multipage documents.

Eco-friendly

Built-in two-sided printing reduces paper use. The instant warm-up fuser saves energy and delivers the first colour page in as little as 11.5 seconds. Select an energy-saving mode (Quiet, Hibernate or Eco) to automatically minimize noise and energy consumption.

Through LCCP, the Lexmark Cartridge Collection Program, Lexmark offers a free and easy way for you to return your empty cartridges for sustainable recycling or remanufacturing.

¹Average continuous black or continuous composite CMY declared cartridge yield up to this number of standard pages in accordance with ISO/IEC 19798. ²Product functions only with replacement cartridges designed for use in a specific geographical region. See www.lexmark.com/regions for more details. ³Print and copy speeds measured in accordance with ISO/IEC 24734 and ISO/IEC 24735 respectively (ESAT). For more information see: www.lexmark.com/ISOspeeds. ⁴Actual Yield may vary based on other factors such as device speed, paper size and feed orientation, toner coverage, tray source, percentage of black-only printing and average print job complexity. ⁵"Maximum Monthly Duty Cycle" is defined as the maximum number of pages a device could deliver in a month using a multishift operation. This metric provides a comparison of robustness in relation to other Lexmark printers and MFPs. ⁶Printers are sold subject to certain license/agreement conditions. See www.lexmark.com/printerlicense for details. ⁷"Recommended Monthly Page Volume" is a range of pages that helps customers evaluate Lexmark's product offerings based on the average number of pages customers plan to print on the device each month. Lexmark recommends that the number of pages per month be within the stated range for optimum device performance, based on factors including: supplies replacement intervals, paper loading intervals, speed, and typical customer usage.
